<sup>\*</sup> Because of all the various types, sizes, and weights of our bulk materials, please confirm your measurements and check math before purchasing. Coverage does vary between materials. Bring in your sample to compare color and size match. \*

Issue date: May 12, 2025 Prices subject to change

<sup>\*</sup> Coverage varies on different product weights and during installation on accuracy of depth over the entire coverage area. Below is a guide to help in determining approximately how much material you will need based on the weights of various products. Weighed products will vary depending on fines and moisture content. Products weighing less than ONE TON are measured and sold by volume or Cubic Yard (27 cubic feet).
